

“If we want to build a ship don't drum up the men to go to the forest to gather the wood to saw it and nail the planks together, instead teach them the desire for the sea”

- Antoine De Saint Exupery

## DBA PRE-UNIVERSITY COLLEGE, BENGALURU

(Approved by Department of PU Education & Recognized by Government of Karnataka)

### PRE-UNIVERSITY COURSES

PROSPECTUS

## Gen Next Group of Institutions

Higher education has become a competitive and internationally tradeable service in many ways with the Indian brain, being tagged as the richest. This became the motivating factor for setting up “**Gen Next Group of Institutions (GNG)**” by a group of distinguished professionals under the aegis of a registered public charitable trust, called "Foundation for Education for All" in 2003 and spread its wings across the country in the field of technical, professional and overseas education, skill development, corporate training consultancy, etc., with primary objective of 'Nursing talents and developing leadership qualities.'

**Faculty Resource :** The corner stone of GNG Institutions is the resourceful and mentor teachers drawn from a wealth of rich and varied experience, with advanced degree, supported by distinguished luminaries of academia and corporate sectors. Interaction with renowned academicians allow the students for assimilation of global best practices and exchange of new ideas and experiences, making learning extremely enriching.

GNG Institutions aims are to teach concepts and theories of commerce, management and science, stimulate critical thinking and transform management problems into opportunities from a multidisciplinary and multicultural perspective. The general approach includes class room lectures; problem solved learning exercises, case study analysis and students participation in seminars, discussions and independent studies. By the end of the courses and programs, GNG students will have the skill and abilities to comprehend for preparing them for higher studies.

## DBA Pre-University College

With the courage to aspire and passion to be the pioneers, a group of administrators, academicians, NGO workers and corporate philanthropists created new vistas by establishing the DBA Pre University College at Bengaluru so as to provide quality driven PU education under the aegis of a public charitable trust “Foundation for Education for All”. DBA PU College is approved by Department of PU Education Board and recognized by Government of Karnataka which is one of the institutions promoted by the said Trust and its modern campus is located in the midst of corporate and industrial houses in JP Nagar III Phase at Bengaluru which facilitates its students' professionals in acquiring technical knowledge, developing business skills, and inculcating positive attitudes and higher human values through innovative thinking, team spirit, and entrepreneurial capabilities.

Aspiration of developing technocrats and business executives, who'll use the force of enterprise, not just for creating wealth but also for improving the quality of life of the people and the prosperity of the nation, is one of the fundamental aims of the DBA College. The College will have a mission to prepare the students for that demand, so the students can succeed in their future what they invent by them self.

To sum, DBA College strongly believes that,

***“Success is a life time wish and dream of one and all, which sets fire within each.”***
